| | |
|--------------------------------|--|
| Sheep begin arriving | Wednesday, July 31 – no earlier than 12 Noon |
| Sheep must be in place | Thursday, August 1 by 2:00 PM |
| Turn in Top 10 selection cards | Friday, August 2 by 8:00 AM |
| Sale | Saturday, August 3 – 11:00 AM |

Documents required for check-in (read consignor's letter for details)

- Health Papers – 2 copies for each animal (highlight specific lot)
- Negative *Brucella Ovis* test completed after July 8 for rams over 6 months old. Test results must be listed on health paper or be confirmed by documentation from the testing facility.
- Valid registration paper with transfer line on back signed by seller
- Codon test result from recognized lab (separate copy for each animal & highlight lot)

Suggested physical evaluation completed prior to travel for sale

- Check mouth - monkey or parrot mouth will not sell
- Measure rams' scrotums: minimums are yearling-32 cm. and ram lambs-28 cm. Rams measuring below minimums listed will not sell
- Palpate testicles for malformation
- Check for active sore mouth, lamb fungus and/or indications of foot disease – **cannot sell!**

Recommended supplies

- Feed & hay
