

AI and EMBRYO TRANSFER CERTIFICATE

DIRECTIONS

If you used artificial insemination (AI) or embryo transfer (ET) and would like to register the resulting lamb(s), you must complete the AI/Embryo Transfer Certificate. Both the owner of the ewe(s) AND the owner of the ram(s)/semen at the time of breeding AND the AI/ET Technician must sign the certificate.

Provide ram identification information, ewe identification information and the dates and results of the procedures.
