SALE BOOK PREPARED BY:

Square One Agri Marketing | 706.599.8194

SALE LOCATION:

Hyder-Burks Agricultural Pavilion
2390 Gainesboro Grade, Cookeville, TN 38501

HEALTH:

All animals must have an interstate health paper for shipment. All rams over 6 months of age (born before Feb. 1, 2026) must have a negative Brucella Ovis test. KHSI does not require or guarantee any other health assessments. Any information exchanged beyond listed requirements is between buyer and seller.

DNA TESTING:

All entries are RR or QR at codon 171, as verified by lab analysis. KHSI does not require or guarantee any other DNA assessments beyond those listed. Any information exchanged beyond listed requirements is between buyer and seller.

TERMS:

Cash, credit card or check. Buyers are expected to pay for their purchases no later than right after the sale. CCI.live will oversee all aspects of payment. Buyers that do not pay for their purchases will lose their membership rights with KHSI until payment has been received and cleared.

LIABILITY:

All persons attending this sale do so at their own risk, legal or otherwise, for their safety or the behavior of the animals. The owners, auction service, or sale staff assume no liability for property loss or any accidents that may occur.

ANNOUNCEMENTS:

Information given from the block will take precedence over the catalog. Buyers unable to attend may send their bids to auctioneers, ring men, or the sale committee. Bidding will also be available online at CCI.Live

NSIP INFO:

<http://nsipsearch.nsip.org/#!/search> type 16 digit NSIP# into search box.

REGISTRATION PAPERS:

All animals are registered with the exception of pens of KAT+ commercial ewes. Papers will be transferred and forwarded to buyers at consignors' expense.

SALE GUARANTEE:

EXCEPT FOR THOSE STATED IN THE BELOW GUARANTEES, THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, AS TO THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE ANIMALS BEING SOLD IN THIS SALE. THE WARRANTIES AND GUARANTEES SET FORTH IN THE BELOW GUARANTEE ARE IN LIEU OF ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED AND THE REMEDIES PROVIDED THEREIN SHALL BE THE SOLE AND EXCLUSIVE REMEDY OF THE BUYER, OR ANY PARTY CLAIMING THROUGH THE BUYER, FOR ANY BREACH OF WARRANTY OR GUARANTEE THEREIN PROVIDED AND ALL OTHER LEGAL OBLIGATIONS OR LIABILITIES.

1. Every male and female sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return a non-breeder to the seller in acceptable breeding condition. The seller, after a fair trial and the animal is found to be a non-breeder, shall have the option of replacing the male or female with one of equal value to the satisfaction of the buyer and seller or refunding the purchase price. This guarantee shall not apply to any animals that are shown after the date of the sale, for the year shown.
2. Notification of non-breeder males must be made to the seller prior to January 1 following the sale. Notification of non-breeder females must be made to the seller prior to April 1st following the sale.
3. Any animals that drop their lamb teeth prior to 12 months of age as determined by registration papers, shall be replaced with an animal of equal quality to the satisfaction of the buyer and seller within a reasonable amount of time, or the consignor shall refund the purchase price of the animal promptly with all fees and percentages levied against such animal retained by the sale. It shall be the responsibility of the buyer to notify the consignor, and they the sale manager, if such a problem occurs. Any consignor failing to comply with this rule shall automatically be barred from consigning any animals to the following sale.
4. Neither the sale managers nor the sponsoring organization can or will assume any responsibility as to the authenticity of the pedigrees or bloodline information in the sale catalog, on pen cards, or otherwise, and the subsequent genetic performance of any animals purchased. All such information must be adopted at face value. Any special guarantees or claims offered by individual consignors is strictly between the consignor and buyer and will not be enforced by the sale management or sponsoring organization.
5. This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed, or implied.

TRANSPORTATION REMINDER:

As a courtesy, buyers should be in touch with the seller within an hour of sale's end with plans for transport of the animal or to physically take possession of their purchase. Online buyers must have transportation lined up prior to sale. KHSI can assist with coordinating transportation.

Welcome TO TENNESSEE

The Sale Committee and I are happy to welcome you to the 22nd Annual Katahdin Expo Sale. You will have an outstanding opportunity to purchase excellent Katahdin sheep from many areas of the United States. We are offering in-person and online bidding for potential buyers. Each consignor will have the opportunity to choose their Top Ten picks of rams and of ewes from the sheep consigned. These top ten rams and the ewes will lead off the sale in their respective sections. After the top ten rams sell, the remaining rams will sell by age and the ewes will follow the same process.

We look forward to hosting an excellent sale and seeing you at our educational sessions and annual KHSI meeting. Details for the educational events and social activities can be found on the KHSI website. Don't miss this opportunity!

Questions can be addressed to Alan Culham, info@katahdins.org or Cindy DeOrnellis, cindy.deornellis@gmail.com

Buckeye Acres

Stud Ewe ! Buckeye Acres 5410 has both the look of a Stud Ewe and the genetics. Sired by Buckeye Acres 4786 "Atlas", sire of Stud Rams that are going to several leading Katahdin Breeders in America!! Dammed by Buckeye Acres 3736, she herself produced Buckeye Acres 4560 the lead Stud Ram for Bob Kimm. 3736's sisters, sired by Buckeye Acres 3387 have produced numerous Stud Rams as well !!!

Buckeye Acres

5409 is a deep bodied, big ribbed, massive October fall ram lamb. He has black a black nose and black hooves. His dam Buckeye Acres 4663 raised a high quality fall ram lamb last year also. Buckeye Acres 4042, a maternal sister to 4663 dammed our first pace Late Fall ram lamb at the 2023 Midwest Stud Ram Sale. In his first lamb crop, Buckeye Acres 4892 "Redman" has sired an exceptional set of both rams and ewe lambs, that have been well received by both our online sale buyers and those that purchased animals off the farm. Stop by ours pens and give a good look at 5409.

Gingerich Family Farm

Sired by BAG 5176 that we purchased with David Redwine last year, that you will see more out of over the next few years. His dam is the twin sister to GFS M003 that sold in our sale a few years ago for \$1,900. As well as her dam being a high selling female at the expo a few years ago that sold for \$1,900 as well.

The last Fireball ewe lamb we are consigning is a really attractive solid red lamb. She is the smallest of the group, but she is Triplet raised by a first timer. We think she is well made with smooth lines. She is a confident lamb that carries her head high. Her dam's sire is FFG 1458, Peterbuilt. Peterbuilt is our herd sire out of Big Pete, another Pearl lineage animal. He brings a moderate frame with lots of leg and loin muscle and an EBV for post weaning weight in the top 5% of the breed.

We are happy to offer this beautiful tri-colored yearling ram in the 2026 Katahdin Expo. Out of FFG 1000 'Rock' who is one of our favorite sires that we have ever produced. Rock is an athletic buck with a nice balance of length and leg. 1764 exhibits that athletic style with chest width that is appreciated. Our Pearl line usually has a calm demeanor and 1764 continues that tradition. We had our eyes on him all pasture season.

Grandpa's Farm

FFG 1869 is probably the best spring ewe lamb at this point. It seems she is going to be a sturdy ewe like her dam. You can appreciate her width already and the squareness of her hips. Her dam, FFG 298 who we call Diamond, is Pearl's first lamb. We recently lost our retired ewe, FFG 69. So Pearl and her daughter Diamond are the two oldest sheep on the farm at 9 and 8 years old respectively. This just shows the power of this line. Then you also remember that 1869's sire is Fireball. Love the genetic potential in this ewe and she is already presenting a great phenotype.

Our first Fireball ram offspring we are offering this year. We are very excited about this year's options out of Fireball. This is a nice red and white paint who is really beginning to show his length. This lamb reminds us of FFG 1615 'Boss Hogg' who is now providing stud service at Prairie Lane. Boss Hogg was the high seller at last year's expo. His dam is the full sister of True Grit out of Mean Tweets. There is a lot of potential in this young buck.

Henry Shultz

This is my most photogenic ewe of the set. She always has a great pose to shoot with her straightness of top, bone and depth of body. She is sired by Boss Hogg, top selling ram at the 2025 Expo and she has been one of our favorites. Boss Hogg sired the top selling spring ewe lamb at our online sale and he has produced some good ones. Her dam is a Power Take Off daughter and his ewes are some of my most fertile females, always breeding on the first cycle when turned in for spring lambs. Also Refer to lot 101,102,104 & 104 for the rest of Prairie Lane Lots.

Luzon Farm

This fancy paint ewe has only gotten better with age! She's super correct, so feminine from the front and wide from behind - the ideal brood ewe prospect! 4103's twin brother placed first in his class at Sedalia and was high-selling fall ram and she follows him very closely in type. Another opportunity to add some great fall lambing genetics to your breeding program.

Luzon Farm

Big, stout made ram out of one of our thickest ewes, who only fall lambs & weaned lifetime 230% lamb crop. 4116 was so good that he was used on a select set of ewes that will lamb in September. Strong natural fall lambing genetics on both sides of the pedigree. Great growth with actual weights of 59 lbs. @ 60 days and 99 lbs. @ 90 days. 5/9/26-170 lbs.
